Rick,

I don't know whether it is the same company, but Mark had a removal action at Modern Plastics Corp., Benton Harbor. I signed off on a \$635,000 cost close out last summer.

Subject: Modern Plastics Corporation; New Products Corporation and USA v. Tibble and Fed. Ins. Co. - Adv. Proc. No. 13-80252

Mr. Kaplan:

Today I left a voicemail with Richard Nagle regarding the above entitled action as he was the last contact I had in regards to bankruptcy proceedings.

Attached are copies of a letter dated January 15, 2014, and Order issued by Judge Dales. Judge Dales ordered, among other things, that service be made upon this office and that the United States has 21 days after service of the Order to object to the joinder of the United States of America as a plaintiff in this action. Also attached are the re-issued summons and the first amended complaint, which in the first paragraph, plaintiff New Products Corporation is moving on behalf it itself and on behalf of the United States.

If I am calculating correct, the envelope, sent certified mail, has a post mark date of January 15, 2014, making objections to the joinder of the United States to this action due to be filed by February 5, 2014.

I am opening a file and it will be assigned to AUSA W. Francesca Ferguson. Ms. Ferguson will be in the office on Tuesday, January 21, 2014. Please have your assigned counsel give Ms. Ferguson a call regarding this case at (616) 808-2020.
